There are some information sheets that are attached that I would love to have you fill out and return to me so we can add you to our youth contact list and know the best way to keep in touch with you! You can bring them to youth or email them to me. Whatever is easier for you.

If there are any questions that you have or anything else that you need, please feel free to email me:

[staineduth@comcast.net](mailto:staineduth@comcast.net) or call me at the office at: 540-877-1443.

You are awesome and **God has a specific plan and purpose for your life!** We are here to help you fulfill God's plan for your life by being the **LOUDEST** voice to your generation and by growing closer to Christ.

Hope to see you again real soon!

Spared to serve and your fan,  
PJ
